

We built a website for Sheridan Dental Care. *Already live.*

4.8★ on 147 Google reviews — the reputation is already there. The only thing missing is a website to capture the patients who Google you before they call. We built one for you on spec. Look at it, decide. No deposit, no commitment.

MOBILE · THE SEARCH-TRAFFIC VIEW

WHAT'S ON THE SITE

4.8★ x 147 Google reviews surfaced cinematically, not buried

Online booking flow request appointment in under 60 seconds

Service grid Cleanings · cosmetic · endodontics · crowns · fillings

Both providers, by name Dr. Dorene Montero + Dr. Fernando Quevedo

Bilingual EN / ES language toggle on every page

Mobile sticky bar Call · Directions · Book — one tap each

THE MATH

Average new-patient lifetime value at a Hollywood/Broward practice: **\$1,500-\$3,500.**

One new patient per month covers the year.

One cosmetic case (veneers, crowns) covers the next two.

You have the reputation. You don't have the funnel.

THE DEAL · LAUNCH PACKAGE

\$800 one-time setup

+ \$149 / month — hosting, edits, online booking, support

Want a deeper build with bilingual EN / ES content, cinematic video hero, before-and-after cosmetic gallery, and priority support? Studio package: \$1,500 setup, \$150/month. We can talk about it on the call.

30-day promise — if after 30 days the site hasn't booked at least one qualified new patient, we refund the setup. You keep the site.
